Limitations

Alternate Benefits: Where two or more professionally acceptable dental treatments for a dental condition exist, reimbursement is based on the least costly treatment alternative. If you and your dentist have agreed on a treatment that is more costly than the treatment upon which the plan benefit is based, you will be responsible for any additional payment responsibility. To avoid any misunderstandings, we suggest you discuss treatment options with your dentist before services are rendered, and obtain a pre-treatment estimate of benefits prior to receiving certain high cost services such as crowns, bridges or dentures. You and your dentist will each receive an Explanation of Benefits (EOB) outlining the services provided, your plan's reimbursement for those services, and your out-of-pocket expense. Procedure charge schedules are subject to change each plan year. You can obtain an updated procedure charge schedule for your area via fax by calling 1-800-942-0854 and using the MetLife Dental Automated Information Service. Actual payments may vary from the pretreatment estimate depending upon annual maximums, plan frequency limits, deductibles and other limits applicable at time of payment.

Cancellation/Termination of Benefits: Coverage is provided under a group insurance policy (Policy form GPNP99) issued by Metropolitan Life Insurance Company (MetLife). Coverage terminates when your membership ceases, when your dental contributions cease or upon termination of the group policy by the Policyholder or MetLife. The group policy terminates for non-payment of premium and may terminate if participation requirements are not met or if the Policyholder fails to perform any obligations under the policy. The following services that are in progress while coverage is in effect will be paid after the coverage ends, if the applicable installment or the treatment is finished within 31 days after individual termination of coverage: Completion of a prosthetic device, crown or root canal therapy.

Like most group benefit programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods and terms for keeping them in force. For complete details of coverage and availability, please refer to the group policy form GPNP99 or contact MetLife.
