How we make it simple to see your doctors
Aetna Medicare Advantage Preferred Provider Organization (PPO) with Extended Service Area (ESA)

- Access to providers nationwide
- See any doctor at the same cost share, who is eligible to receive Medicare payment and accepts your plan
- No referrals needed
- Covers you nationally when travelling
- Over 800,000 network doctors and specialists and 3,500 network hospitals
Will I still be able to see my current doctors?

Yes, you can, if your providers are:

- Eligible to receive Medicare payment
- Willing to accept your Aetna Medicare Advantage plan

Many doctors do.

Because this is a PPO ESA plan, your copays or cost-share amounts are the same for any doctor or hospital according to the costs listed on your plan benefits summary.
