

Discover the Joys of Learning at UChicago Child Development Centers

Managed by Bright Horizons®

At Bright Horizons, your child will be cared for in a loving and nurturing environment by experienced and dedicated teachers. Our carefully crafted programs are age appropriate, with the goal of encouraging curious, happy and confident children, who above all, fully experience the joys of childhood.

The Bright Horizons curriculum is based on the key principle that children are active learners who learn best through hands on exploration. With caring, well-trained, and experienced teachers as guides, our curriculum encourages discovery within a stimulating environment that can nurture each child's curiosity, potential and growth.

A Bright Horizons experience includes:

- Our signature *The World at Their Fingertips*® curriculum to guide children through each age and stage, empowering them to become confident, successful, lifelong learners
- Health, safety, and security standards that meet or exceed state and local standards as well as those created by the National Association for the Education of Young Children
- Experienced child development professionals with the training to guide and nurture each child
- Strong family/teacher communications and partnerships

Our Curriculum: *The World at Their Fingertips*®

The World at Their Fingertips®, is our unique curriculum designed to engage children in active learning that prepares them for school while helping them to achieve their individual potential and fostering a spirit of community. Built around extensive research, 21st century technology and developmentally appropriate instruction, the curriculum introduces concepts of math, science, language, culture, environment, art, and wellness.
