SUMMARY ANNUAL REPORT

For The University of Chicago Pension Plan for Staff Employees

This is a summary of the annual report for The University of Chicago Pension Plan for Staff Employees, EIN 36-2177139, Plan No. 003, for period January 01, 2018 through December 31, 2018. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Basic Financial Statement

Benefits under the plan are provided by insurance and a trust fund. Plan expenses were $23,373,039. These expenses included $2,647,704 in administrative expenses, and $20,725,335 in benefits paid to participants and beneficiaries. A total of 13,983 persons were participants in or beneficiaries of the plan at the end of the plan year, although not all of these persons had yet earned the right to receive benefits.

The value of plan assets, after subtracting liabilities of the plan, was $321,157,808 as of December 31, 2018, compared to $362,423,678 as of January 01, 2018. During the plan year the plan experienced a decrease in its net assets of ($41,265,870). This decrease includes unrealized appreciation and depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had a decrease in total income of ($17,892,831), including employer contributions of $3,061,845, and decrease in earnings from investments of ($20,954,676).

Minimum Funding Standards

An actuary's statement shows that enough money was contributed to the plan to keep it funded in accordance with the minimum funding standards of ERISA.

Your Rights To Additional Information

You have the right to receive a copy of the full annual report, or any part thereof, on request. The items listed below are included in that report:

- an accountant's report;
